I have never found books 2 and 3. I would love to have books 1 though 5. Baker has several different books under similar title "The Complete Organ Player" and they easily confuse the neophyte. Some are Song Books, Bakers songbooks look like his instruction books but they are very different in purpose and content.

### The Complete Organ Player - Book One: Amazon.com: Books

The Complete Organ Player series has received a few mentions lately, and seems highly recommended for new players or for those restarting after many years. I played a little when I was young, and bought an ELS00 last summer, when I happened to see just how cheap they are now. Anyway the discussion has inspired me to find the books and have a go.
