Drink Power And Cultural Change

Drink, Power, and Cultural Change presents a social history of alcohol in southern Ghana over the past century and a half and highlights its centrality in the culture of power. Alcohol could bridge the gap between the spiritual and living worlds, as the blessings of the gods and ancestors were necessary for success.

Social and Cultural Aspects of Drinking Key findings. One of the problems facing those concerned with the development of policies and legislation on alcohol issues is the sheer volume of research and publications on this subject.

Social and Cultural Aspects of Drinking - Introduction

Social and Cultural Aspects of Drinking. Social and cultural roles of alcohol. Given overwhelming evidence for the primacy of sociocultural factors in determining both drinking patterns and their consequences, it is clear that ethnographic research findings on the social and cultural roles of alcohol may have important implications for policy-makers - particularly in areas such as Europe where ...

Culture change is change that occurs over time to the shared way of life of a group. This emerges with the experiences of a society, traditional culture, organization, super culture or subculture. The following are illustrative examples of culture change.

15 Examples of Culture Change - Simplicable

Frequent mistakes in trying to change culture include: Overuse of the power tools of coercion and underuse of leadership tools. Beginning with a vision or story, but failing to put in place the ...
