### What Would Keynes Do How

John Maynard Keynes was a giant in the world of economic theory and policy, so influential that an entire school of modern thought bears his name. In Keynesian economics, governments and banks have an important role, but free capitalism is king: people work to earn money; businesses pay people to work; people spend their money and support businesses.

### What Would Keynes Do?: How the Greatest Economists Would ...

Keynes was first and foremost a philosopher, so he was interrogating these economic questions as part of a broader philosophical project. He's really the last of the economists to be doing that...
